Leslie wants to know who asked for money. I thought it was Blair's idea. Can you explain?

Sounds like a great event but the original email stated the station is requesting these funds. Would that not be the case? I'm trying to determine if a request came from the station?

Blair indicated she had a venue in her district and mentioned an approx dollar amount. Randall Ely put it to a vote and the Boosters unanimously voted to fund the event.

No one I know from LAPD requested funds.

Subject: CPAB LUNCHEON REQUEST

Evening,

No one from Central station requested these funds through my office. The email indicates the "station" is requesting. Can you tell me who from Central made this request,
